June long weekend
10, 11 & 12 June
10am - 4pm

Monique Turczynski

The Pop-Up opens its doors again!

Join us again this June long weekend as a collection of artists from the Southern Highlands open their Studio doors for our annual Pop-Up Exhibition.

A wonderful opportunity for art enthusiasts to immerse themselves in the rich artistic and cultural aspects of the Southern Highlands. The chance to visit artists in their studios and galleries, witnessing their creative process firsthand, adds a special touch to the experience of purchasing artwork.

During the long weekend in June, you can not only enjoy the art but also take advantage of everything else the Southern Highlands has to offer. While exploring the artistic venues, you can also indulge in culinary delights, savour fine wines at Centennial Vineyards, and explore the charming world of boutique shopping. This combination of artistic exploration, gastronomic experiences, and boutique browsing adds a diverse and enjoyable dimension to the overall weekend getaway.

Whether you're an art collector, a culture enthusiast, or simply someone looking for a unique and engaging experience, this June long weekend in the Southern Highlands promises to be a memorable event. It allows you to connect with artists, understand their journey and creative process, and bring home artwork that holds a deeper significance.
