

A close-up photograph of several large, double pink roses in full bloom. The petals are a vibrant pink color with some darker shading towards the edges. The roses are set against a dark, out-of-focus background, likely foliage or a fence. The lighting is soft, highlighting the texture of the petals.

David Austin Roses Presentation

**Guest Speaker : Stefanie Williams representative
from the UK**

**Neutrog Fertilisers Feeding and getting more
blooms from your roses**

**Roses and Guided Garden Tour Planting
combination with Ali**
