# *Tea Menu*

## **Ceylon Green**

Gently steamed green tea with mildly astringent taste, pale yellow infusion tinged with olive highlights, delicate tea with a lightly sweet finish.

## **English Breakfast**

Bright morning tea with strength and colour and pungency, beautifully even broken orange pekoe leaf yields a burgundy-coloured brew robust and strong yet bright and bold flavoured.

## **Earl Grey**

A bold, right and single region, gently infused with bergamot flavours, balanced medium strength with citrus note with floral and fruity flavours balances.

## **Spiced Chai**

Authentic Chai combining spices (clove, ginger and cinnamons) the piquant and spirited real chai offers woody sweetened of cinnamon, gingery warmth and fragrance of aromatic clove.

## **Pure Peppermint Tea**

A caffeine free and ideally enjoyed after meal to cleanse the palate and aid digestion. The natural peppermint oil leaves imparts a fresh minty fragrance and add sparkle to the infusion.

## **Peppermint & English Toffee**

Gourmet Ceylon tea indulge with a creamy and rich English toffee note finishing with sparkling peppermint, yielding a complex and sensual tea.

## **Gentle Camomile**

A gentle, relaxing herb enjoyed as a caffeine free evening beverage.

## **Berry Sensation**

A high grown single region ceylon tea in fruit harmony with strawberry, raspberry and blueberry. The complex of flavours come together in a perfect berry marriage.
